

End of Year Letter

Body of Letter is Editable In PowerPoint

Dear Parents & Families,

Wow, what a year! To better state that - what a GREAT year! We've covered a lot of material and participated in many fun and exciting projects all while developing skills needed for next year and beyond. We have had a blast learning and laughing together and your student deserves to be proud of all they've accomplished this year.

It has been my pleasure getting to know not only your child, but you as well. Having support and open lines of communication is an essential part of any successful school year. Thank you for all you have done to support your student's success in school this year.

As your student moves on to the next grade, there are some very important things you can do to help them succeed. These little things will lead to big successes next year and beyond!

- ✓ Read to and listen to your child read.
- ✓ Ask questions and make inferences & predictions.
- ✓ Practice math facts as a way to stay ready for new and more challenging math concepts.
- ✓ Engage in meaningful conversations with your child every day, keep their mind fresh!
- ✓ Help your child develop a sense of working and solving problems independently.
- ✓ Encourage your child to write often! Writing stories, letters and/or journal entries is a great way to get their thoughts organized.

Again, thank you for a wonderful year. I will miss each and every one of you over the summer! Have a fantastic summer filled with life-long memories and of course, plenty of relaxation.

Lots of Love,

Dear Parents & Families,
