Here's why buyers this resource

“ I used this with my class for a Black History Project. I loved how they were really able to speak in first person as if they were the person. ”

“ I love everything that came with this. It was easy to implement and it really helped organize my students. Several teachers in our school purchased this because once we saw the quality, everyone wanted it! ”

“ Wow! This packet was such an amazing resource. My class and I had so much fun learning about their famous people and presenting our knowledge in our "Living Museum!" All of our guests loved it and raved about it for weeks. My principal requested that we do it again next year! Thank you! – Alison B. ”
