What Teachers Are Saying...

"Excellent map of the world with the continents and oceans! It has a variety of pages, which are very helpful. The quiz page is great too. Thanks!" – Raylene R

"I like how this resource provided a Practice sheet, an Answer Key and then a Quiz that was in the same format as the Practice sheet. It was just what I needed for my students to study & master the continents and oceans."

– Christine L

Worksheet, Map & Quiz

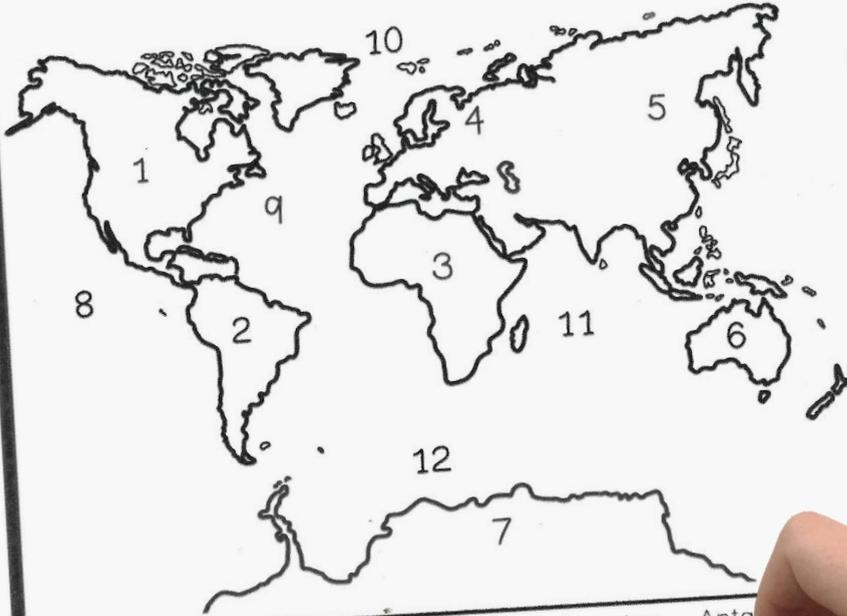

The image displays a collection of educational materials for a world map activity. In the background, there is a blue folder, a white pencil holder with yellow pencils, and two blue paper clips. The foreground features three worksheets:

- World Map Practice:** A worksheet with a world map where continents are numbered 1 through 11. To the right of the map is a list of seven blank lines for labeling, with the word "Continents" written vertically on the right side.
- World Map Continents and Oceans:** A worksheet with a world map where continents and oceans are labeled. The labels include: Arctic Ocean, North America, Atlantic Ocean, Africa, Pacific Ocean, South America, South Oce, and Antarctica. A compass rose is located in the bottom left corner. A copyright notice "Copyright - Happy" is visible at the bottom.
- World Map Quiz:** A worksheet with a world map where continents and oceans are numbered 1 through 12. To the right of the map is a list of twelve blank lines for labeling, with the words "Continents" and "Oceans" written vertically on the right side.

At the bottom left of the image, there is a circular logo for "Happy Teacher & Happy Students".
