# Here's why buyers this resource

This was a really good resource for my students to use both as a pre-test, to study, and as an assessment of the states.

- Amanda L.

Loved this resource for my end of the year 50 states test. My students liked to use the filled in maps to help them study.

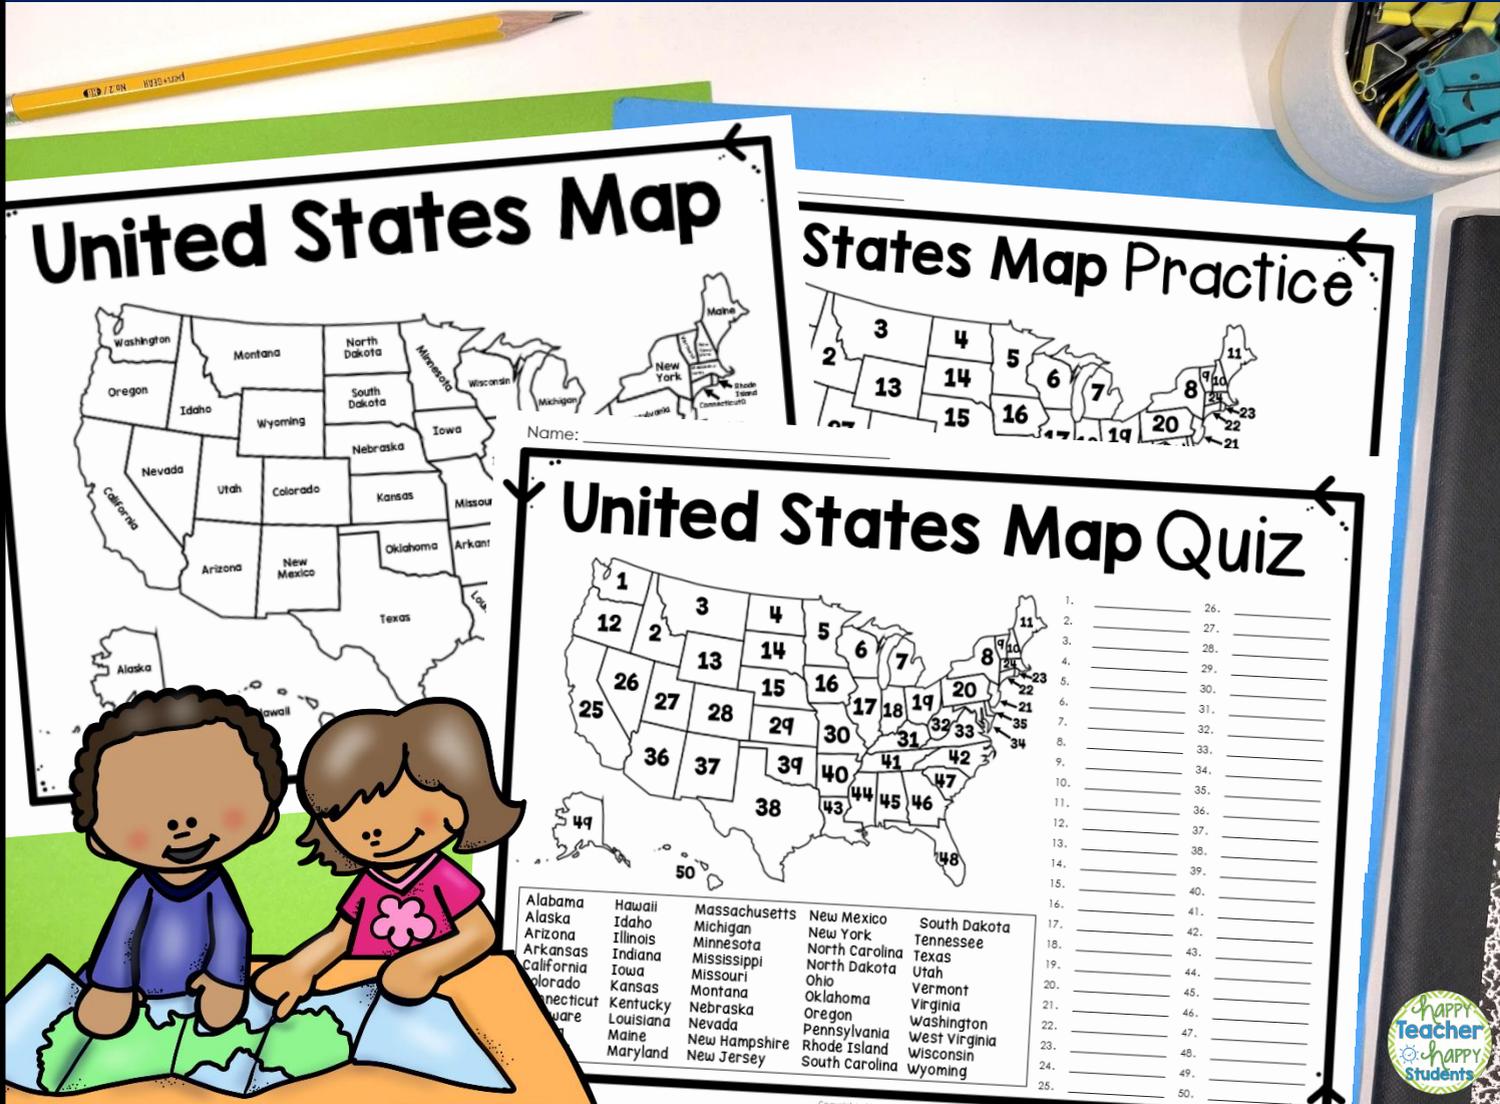

- Jamie S.

This resource was very helpful for students reviewing the 50 states. I laminated the papers and put them on clipboards so that students could write and easily erase with Expo markers. Worked great as a partner activity.

- Abigail K.
