

Here's why buyers this resource

“ This was a fantastic project for our students. They worked in pairs to create their commercial. They were engaged and had a blast doing this activity.
– Toni L ”

“ This is a very creative resource that helps students learn about the various planets of the solar system through persuasion.
– Amanda H ”

“ My students and I both loved this. It was a great way to review and revisit planets. There is a lot of space to add creativity from students, which makes it even better! – Miranda N ”
