Project Example**

Habitats Diorama Project

Name: _____ Habitat: _____ Due Date: _____

Habitats DIORAMA

Your assignment is to create a diorama related to a specific habitat!

Inside Box: The inside of your diorama should be a scene you have researched. Use materials to create a realistic scene. Plan your scene in the space below.

Right Side: Include the name of the habitat and your name.

Left Side: Write 2-3 sentences that showcase what you know about the habitat.

Back of Box: Write a two-paragraph summary of the habitat. Include details about animals that live there, their locations on Earth, unique facts, and any other interesting information.

Do

Proofread your work carefully to avoid errors.

What Teachers Are Saying...

My students loved creating their habitat diorama! This resource is really helpful for teachers because the rubric, parent note home, and student planning sheets were included in this bundle. Thank you! – Mia T.

Very clear and easy for the kids to use. Having examples of top notch dioramas was super helpful. Looking forward to see what the kids produce with the help of this resource! – M.Conte
