

Advice for Baby

Our Advice for Baby

Penelope's Advice for Baby

In order to be a good mom you must love your baby.
Babies really like when you hold them a lot, but they
hate being cold and lonely. Make sure that you
ALWAYS are nice.

You are going to be a nice mom.

The most important thing about having a baby is
They won't always cry so much. One day they
will be bigger than you! Take lots of
pictures to remember their cuteness.

I can't wait to meet your baby! I'm sure he/she will
cute, chubby, and perfect!

[Redacted Name]'s
Advice for Baby

In order to be a good mom you must Not blame them
when they do something bad.
Babies really like when you tickle them and but they
hate tummy time red to them. Make sure that you
ALWAYS are patient and NEVER shout at
them.

You are going to be a wonderful mother because you are
kind, caring, and thoughtful.

The most important thing to know about having a baby is
be as patient as possible
even if that's hard.

I can't wait to meet your baby! I'm sure he/she will
be adorable, funny, and awesome!
and a girl!

_____ 's
Advice for Baby

In order to be a good mom you must be responsible.

Babies really like when you silly, but they

hate loud noises. Make sure that you

ALWAYS love and NEVER hate.

You are going to be a wonderful mother because you are

kind, beautiful, and fun.

The most important thing to know about having a baby is

giving the baby rest.

I can't wait to meet your baby! I'm sure he/she will

be pretty, kind, and loved!

What Teachers Are Saying...

Students loved creating this booklet for their teacher. It made such a cute booklet and a great keepsake for the new mom. Loved this one!

The kids loved making this for our math teacher who was fixing to have a baby! Thank you! She absolutely loved it!
