

Here's why buyers this resource

“ This resource is great for seeing where a student is on specific time tables. Easily pinpoints areas to continue working.
— Marcia C. ”

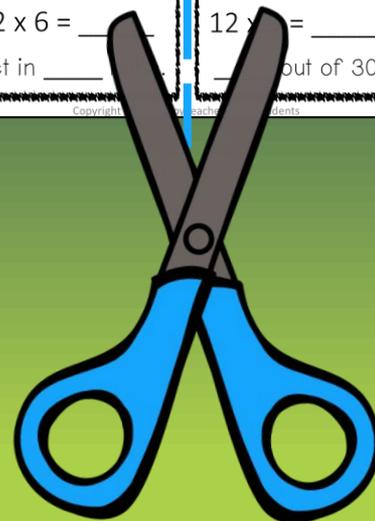

“ Favorite multiplication resource I use! I have used this with my kiddos to gain their ice cream sundae party at the conclusion of the semester! I am able to give each child the facts they need to work on specifically!
— Regan R. ”

“ I found this resource very helpful. My 6th graders struggled at the beginning of the year with multiplication facts. I used this resource as homework and classwork to build their strength in multiplication facts.
— Cynthia L. ”

Multiplication Facts Timed Tests

The image displays several educational materials for multiplication practice. At the top, a large blue banner features the title "Multiplication Facts Timed Tests" in white, bold, sans-serif font. Below the banner, there are three overlapping worksheets. The leftmost worksheet is titled "Multiplication Test" and includes a "Name:" field and a grid of multiplication problems such as $1 \times 5 =$, $6 \times 6 =$, $3 \times 10 =$, and $8 \times 12 =$. The middle worksheet is titled "Multiplication times" and features a cartoon girl character and a grid of problems including $1 \times 8 =$, $1 \times 5 =$, $1 \times 4 =$, and $1 \times 9 =$. The rightmost worksheet is also titled "Multiplication times" and includes a cartoon girl character and a grid of problems such as $12 \times 5 =$, $12 \times 3 =$, and $12 \times 10 =$. Scattered around the worksheets are colorful math flashcards: a blue card with "8", a yellow card with "3", a red card with "+", and a yellow card with "0". In the bottom left corner, there are larger flashcards with numbers like "4", "8", "7", "2", and "8". In the bottom right corner, there is a red sand timer and a circular logo for "Happy Teacher Happy Students".
